USER MANUAL

THE ICONS

Our McDavid products meet the needs of different groups of customers and a variety of sports. The whole product range of McDavid appeals different needs but somehow, it's complicated to understand which product is the right choice. The icons will guide you through the product range and support you with the product segmentation. Each icon indicates a specific sport or activation that is supported by a McDavid product/ technology. Please consider the icons as an advice to make your selection.

CROSS COMPRESSION

This tech utilizes general compression science and our breathable, high-tenacity technical fabric in a design that mimics the TAPING TECHNIQUES of ATHLETIC TRAINERS. These techniques address common injuries to the hamstring, glute and quad muscle groups.

Cross Compression™ employs STABILIZING compression and a unique banding pattern that mimics the hip spica wrap used to treat GROIN PULLS and HIP ABDUCTOR and FLEXOR STRAINS. This helps prevent and aids in the recovery of large muscle injuries.

TARGETED[®] COMPRESSION

Compression levels designed to apply higher pressure at the ankle, while gradually tapering off up the calf. This graduated tension allows better blood flow for faster reoxygenation and reduction of lactic acid.

ELITE Bio-Logix™

Low profile. Less weight. Max stability. Amazing comfort. Game-altering technology. This refined combo of rigid and soft materials creates precision semi-rigid support with self-adaptive fit and Body-In-Motion flex. The C-Link Frame brings medial and lateral hinges into anatomic harmony. The Anti-Migration Strap System delivers fantastic range of adjustment and a supportive tie-in throughout. Underneath it all is the Sleeve-Lock™. Our unique compression sleeve provides advantages, like more support, comfort, fit, performance and recovery. In addition, the sleeve folds up, down and ultimately over the brace to streamline and secure like no other. Get Bio-Logix for your biology.

**WAIST**

Stand with stomach relaxed. Measure the minimum circumference (skinniest part) in the waist area. Tape should be parallel with the floor.

**THIGH**

Stand and measure the maximum circumference (meatiest part) of your upper leg near the crotch.

**CHEST**

Stand and measure around the fullest part of your chest. Tape should be parallel with the floor. (No superhero chest puffing).

**KNEE**

Measure the knee to be protected. Stand and bend your leg just less than 45 degrees, measure around the largest part of knee, directly over the patella (kneecap).

**KNEE**

Stand and bend your leg just less than 45 degrees, measure knee circumference 2" (5cm) below the center or patella (kneecap).

**ELBOW**

Bend your elbow to approximately 45 degrees and measure directly over the joint. When ordering a pair, take measurements of both elbows and use the average of the results.

**WRIST**

Keeping wrist straight, measure directly over joint, including wrist bones.

**FOREARM**

With your arm slightly flexed, measure the fullest part of your forearm, typically midway between your wrist and elbow.

BICEP

With your arm slightly flexed (remember, "slightly"), measure the fullest part of upper arm/ bicep. When ordering a pair, take measurements of both arms and use the average of the results.

FOOT

Measure circumference at center of arch directly over top of instep.

CALF

Stand and measure the calf in question. Measure at the fullest part of the calf. When ordering a pair, take measurements of both calves and use the average of the results.

ANKLE

Stand and measure ankle circumference 1"/25cm above center of inner ankle bone tip (the knobby bits). If you measure while seated, flex your foot slightly back toward yourself as you measure.

SALES CONDITIONS

PRICES

Our price lists are not special offers and are net, without any discounts. They can be changed without prior notice.

SPECIAL OFFERS

Our offers are non-binding and subject to availability. Special offers and sales by agents, representatives, or any other intermediary are only valid if agreed upon in writing by our company. The prices of our goods will always reflect the rates valid on the day of delivery, regardless of the order date. Any change in economic, social, or fiscal conditions may result in a price review.

PAYMENT

All invoices are payable within 30 days of the invoice date, unless otherwise agreed in writing and by mutual consent, confirmed by the signature of both parties. All payments must be made to the bank account stated on the invoice and in the manner specified. Claims will not postpone payment, and disputes will not suspend the payment obligation. Any unpaid invoice will automatically accrue interest of 1% per month from the due date, without the need for formal notice. This surcharge will be calculated from the due date until full payment is made, with part of a month counting as a whole month. The customer will be responsible for all costs related to recovery of the payment, both legal and extra-legal, the latter being set at 10% of the unpaid amount, with a minimum of €250.00, without prejudice to UNITED SPORTS BRANDS EUROPE's right to claim actual costs. Any claims concerning invoicing must be reported to UNITED SPORTS BRANDS EUROPE within fourteen (14) calendar days of the invoice date, by registered letter. In the absence of communication within this period, the customer will be deemed to have accepted the invoice.

TERMS OF THE CUSTOMER

Delivery of the goods constitutes unconditional acceptance of these general sales terms and conditions. Any conditions accompanying the customer's order that conflict with these terms or introduce new terms will not be accepted, and

there is no obligation for us to inform the customer of this. The same applies to any jurisdiction provisions.

RESERVATION OF TITLE

The goods will remain the property of UNITED SPORTS BRANDS EUROPE until the customer has paid the full purchase price plus any interest on late payment and any additional charges (including transport costs). However, the risk of the goods passes to the customer upon delivery.

DISPATCH - DELIVERIES

Unless specific instructions are provided by the customer, we will select the method of dispatch for each delivery. Goods will be transported at the cost and risk of the recipient, even when shipped carriage paid, regardless of the means of transport or delivery method. Upon receipt, the customer must check the packaging and communicate any complaints to the transport company within the legally stipulated time. Proof of any deficiency or damage must be provided. We will do our best to meet the delivery date, but delays will not give rise to cancellation, interest claims, or compensation.

COMPLAINTS - RETURN OF GOODS

If the goods received do not match the invoice, the customer must notify us immediately, and no later than 48 hours after receiving the delivery list. This list must be included with the complaint. Any complaint about product quality must include:

- a) A sample of the article, and
- b) If possible, the product in its original packaging, bearing all identification references.

Goods may not be returned without prior agreement and must be shipped carriage paid. Returned goods must be in perfect condition, in their original packaging, and retain their labels, stamps, or marks for retail sale. Any verbal agreement conflicting with these general terms will only be valid if confirmed in writing.
