Iconic Backs. Proven Performance. One New Hero.

Our Club Training range delivers a curated mix of Speedo's most commercial and athlete validated back silhouettes, balancing performance support with modern aesthetics. By combining trusted favorites across thin strap, thick strap and low profile comfort constructions, we ensure depth of choice while maintaining a clean, focused assortment. This season, we introduce the Glide

Back - a sleek, minimal silhouette engineered to sit comfortably between the shoulder blades for unrestricted movement and a refined, modern look. The result is a back offering that covers every swimmer profile, from competitive club athletes to daily training loyalists.
